# The Untamed Reach - White Paper

## Introduction

*The Untamed Reach* is an Old West-themed MMORPG in development by a solo indie developer operating under **The Pens Den**.
With over 3 years of experience and multiple published games on Steam, the project seeks to deliver a modular, immersive, and community-driven MMO experience.
This white paper outlines the project's vision, core systems, and the role of NFTs in supporting its development.

## Game Overview

Set in a rugged, lawless frontier, *The Untamed Reach* offers a player-driven economy, profession-based skills, and open PvP between lawmen and outlaws.
Players will choose their path—craft, hunt, build, or fight—with skill-based unlocks, evolving towns, and dynamic world events shaping the environment.

## NFT Utility

NFTs for *The Untamed Reach* will offer:

- Unique cosmetic gear
- Mount skins
- Profession boosts
- Access to early content testing

NFT holders will gain:

- A voice in major design decisions
- Early access to world-building events

All NFTs will be minted on the **Solana** blockchain for low fees and fast transactions.

## Development & Funding

Development is currently self-funded.
To secure hosting and expand core systems, **The Pens Den** is launching an NFT collection as a means of community support.
All proceeds will go toward infrastructure, art assets, and feature development.

## Roadmap

- **Q2 2025**: NFT Placeholder Art Launch + Website + Discord
- **Q3 2025**: Community Engagement, NFT Minting Begins
- **Q4 2025**: Closed Alpha with NFT Access
- **Q1 2026**: Public Beta, Expanded Towns, PVE Events
- **Q2 2026**: Full Launch + Marketplace + Guilds
